INTRODUCTION

UE Fashion Group is a global, family operated fashion enterprise with deep roots in the textile industry dating back to 1989. Over the decades, the company has grown into a vertically integrated enterprise with robust production lines and a trusted international network of clients and production partners.

Our operations span two main business units:

Apparels (OEM & ODM):
Specializing in women's wear for the US and European markets, we have built a longstanding reputation as a reliable partner to globally recognized brands such as **Calvin Klein, DKNY, G-III, Tommy Hilfiger Karl Lagerfeld and Alice & Olivia**. With in-house production in China and partner factories in Vietnam and **client relationships averaging more than 20 years.**

Textiles (Wholesale & Manufacturing):
From wholesale trade to advanced textile manufacturing, we operate a sourcing offices in China and manage a strong supplier network alongside a network of on and offline distribution platforms in the Middle East. Our factories in China and the UAE specialize in digital printing, foil printing, embroidery and other post-processing techniques, driving an annual turnover over **10 million yds.**

Together, these two business units create powerful synergies, enabling **UE Fashion Group to deliver end-to-end expertise across the global fashion and sourcing vertical.**
